11:50 AOB

- David E. – Has a complaint on final exams schedule, and soliciting proctors.
- Daniel – The idea was to have the final exam at the same time and not to have multiple tests across the same course, so to reduce the amount of cheating. As well as to have more time than usual regular time.
- To try and work on these details with the assistance of Lindita and Daniel, Senate cannot help a lot on the issue.

12:00 Meeting adjourned.
