An Introduction to RIT Kosovo (A.U.K)

RIT Kosovo (A.U.K)'s educational mission is to prepare men and women for living and working in a democratic and technological society by offering curricula that meet those needs within an educational community that supports and encourages individual achievement in an atmosphere of pluralism and diversity. Moreover, RIT Kosovo (A.U.K) sets high standards that challenge students to develop values that will enhance their lives professionally and enable them to contribute constructively to society.

The RIT Kosovo (A.U.K) is Kosovo's only private, nonprofit higher education institution offering degrees entirely in the English language. It is also the single institution in Kosovo whose degrees are accredited and recognized world-wide thanks to the partnership with the Rochester Institute of Technology (RIT) in New York.

As an educational institution, RIT Kosovo (A.U.K) is committed to developing Kosovo's economy through education. RIT Kosovo (A.U.K) holds itself to the highest standards and measures against the leading universities of South East Europe and the world.

The RIT Kosovo (A.U.K) student body consists of students from 17 different countries around the world.¹ RIT Kosovo (A.U.K) delivers the same excellent standard of American higher education that is received by RIT students – the same degree, the same syllabi, the same exams and grading standards – taught by many of the same faculty members. The official language of communication at RIT Kosovo (A.U.K) is English.

RIT Kosovo (A.U.K)'s job is to teach its students to the highest international standards. RIT Kosovo (A.U.K) does not offer any PhDs or other research degrees, but focuses on providing an education that places its students at the same or greater competitive level as their peers from the best universities in the United States and Europe. After graduation, RIT Kosovo (A.U.K)'s alumni are prepared to enter the professional world or move on to postgraduate studies. RIT Kosovo (A.U.K)'s level of success can be measured by the quality and success of students who graduate.

RIT Kosovo (A.U.K)'s degree granting entity

Upon successful completion of the four-year undergraduate program, students will receive an internationally accredited Bachelor of Science (BS) degree from Rochester Institute of Technology, School of Individualized Study (SOIS), in Rochester, NY, U.S.A. The degree awarded is a Bachelor of Science (BS) in Applied Arts and Sciences and is equal to the degree received by RIT's students in the U.S.

The School of Individualized Study (SOIS) is RIT's academic unit for individualized degrees, custom-designed to best meet students' ideas, interests, and career goals through careful consideration of all courses RIT has to offer. SOIS degrees are committed to helping students be innovative and to having a voice in their degree curriculum. SOIS does this by developing and offering undergraduate and graduate-level credentials with one-on-one advisement, on-campus and on-line courses, credit for prior and competency-based learning, and customized study plans while incorporating a multidisciplinary curriculum.

¹The actual number of foreign students attending RIT Kosovo (A.U.K) changes from year to year.

RIT Kosovo (A.U.K) Accreditation

RIT is chartered by the legislature of the state of New York in the United States of America, accredited by the Middle States Association of Colleges and Schools. In addition, individual colleges have professional accreditation for specific programs. RIT Kosovo (A.U.K) degrees are therefore accredited by the Middle States Association of Colleges and Schools.

Additionally, in Kosovo, RIT Kosovo (A.U.K) is licensed by the Kosovo Ministry of Education, Science and Technology (MEST) and institutionally accredited by the Kosovo Accreditation Agency (KAA). “The American University in Kosovo, Gërmia Campus, Kosovo”, is listed on the Middle States Commission of Higher Education, Statement of Accreditation Status, under “Instructional Locations” as an “Additional Location” and is “Full Approved” and accredited. Transfer of Non-RIT Kosovo (A.U.K) Credits

General Policy²

To students pursuing a bachelor's degree, RIT awards transfer credit according to the guidelines discussed here. RIT reserves the right to accept or reject credits earned at other institutions of higher education. In general, it is University policy to accept credits earned at institutions fully accredited by their regional accrediting association for colleges and universities, provided that such credits have been earned through university-level courses appropriate to the student's degree program at RIT Kosovo (A.U.K).

General Guidelines

1. A national accrediting body must accredit the transfer institution.
2. Only courses with a grade higher than C (or equivalent) will be accepted for transfer.
3. Transfer credit accepted from another institution will not reflect the actual grade received at the other institution.
4. No transfer of credit is allowed for grades P (Pass) or S (Satisfactory).

Applying Transfer Credit to Degree Requirements

Before a student registers for classes at another institution, s/he should meet with their academic adviser to plan a program of study. The adviser communicates with RIT in Rochester to determine how the transfer credits shown on the transfer-credit evaluation may be used to meet RIT Kosovo (A.U.K) degree requirements.

² This policy is only applicable to current RIT Kosovo (A.U.K) students. For transferring at A.U.K from another institution, please see the Admission's Office.

PROCEDURE

1. Consult your academic adviser before deciding to take a course for transfer credit. Obtain appropriate supporting documents, such as course descriptions or syllabi for the course(s) you propose to take. Links to web materials are acceptable.
2. Apply for **Credit for a Non-RIT/AUK Course Transfer**. See your academic adviser for the information you need to submit. You must also indicate how you plan to apply the course to your degree requirements. Once RIT reviews the course, the appropriate concentration/minor/school official(s) will determine whether the course can be applied to your requirements as you have requested. If approved by all school officials, the application will be sent to the Office of the Registrar at RIT. The application will be held—and no action taken—until step 3 and 4 below are complete.
3. Upon completion of the course, have a final official transcript sent from the offering institution to RIT Kosovo (A.U.K).
4. Once the transcript is received and matched to the approval form, the credit will be recorded. You may then view the entry on SIS.

Notable Restrictions on Transfer Credit

1. The student's adviser at RIT Kosovo (A.U.K) must grant prior approval for the course (after consultation with RIT).
2. Only courses with 6 (six) ECTS credits and above will be taken into consideration for transfer. All courses with 6 (six) ECTS credits and above will be considered for a 3 (three) semester credit hour transfer. Courses with less than 6 (six) ECTS credits will not be considered.
3. Work must be in a curricular area generally recognized for credit at RIT Kosovo (A.U.K).
4. Courses taken from other schools during the three-week summer programs cannot be used for credit at RIT Kosovo (A.U.K).
5. At least 30 of the credit hours used toward a degree program must be earned by successfully completing RIT courses. In addition, at least 20 of the final 30 credit hours of any program must be earned through RIT courses. Credit earned through transfer, credit by exam/experience, College-Level Examination Program (CLEP), Advanced Placement (AP), International Baccalaureate (IB), or audit is excluded from these residency calculations. RIT academic programs vary as to the total number of credit hours required; however, under no circumstances will a student be allowed to graduate with a bachelor's degree with fewer than 120 cumulative earned hours (60 hours for associate degrees). Cumulative earned hours include RIT courses, transfer credit, credit by exam/experience, CLEP, AP, and IB credits.
6. No credit for English language courses will be accepted.
7. Course credits that RIT Kosovo (A.U.K) seems to be professional in nature will be accepted on a case-by-case basis. These include, but are not limited to, courses in areas such as information technology, business management, and public policy. In general, only entry level professional course credits will be considered.
8. No course credits will be transferred from a regional non-accredited institution.

9. Courses that are not offered by RIT Kosovo (A.U.K), which are needed as requirements, prerequisites and/or for graduation, may be substituted by a transfer from another accredited university, only upon the approval of RIT Kosovo (A.U.K).
10. Student must have completed at least 60 SH at RIT Kosovo (A.U.K) and have their professional concentrations declared prior to applying for credit transfer.

Timeline

Note that the approval for credit transfer takes on average 60 days from the application day (including communication between your academic adviser at RIT Kosovo (A.U.K), transfer officials at RIT, your institution of interest, and the review of your study plan.

Senior Residency Requirement

At least 30 of the credit hours used toward a degree program must be earned by successfully completing RIT courses. In addition, at least 20 of the final 30 credit hours of any program must be earned through RIT courses.

Appeal Procedure

If some courses do not transfer and the student questions a decision, the student should consult the academic adviser with whom they worked to complete the transfer evaluation. Further appeal can be directed to the RIT Transfer Officer.

Conditional Admission

The Conditional Admission status provides the opportunity for students who would otherwise not meet the admissions criteria at RIT Kosovo (A.U.K), due to their low score(s), to improve their English and/or Math skills sufficiently to meet the academic requirements of RIT Kosovo (A.U.K).

Students accepted in Conditional Admission level will be allowed to take up to **five courses**, as all other students, during their first semester at A.U.K. Based on their entrance exam scores students can be placed into College English and/or College Math classes. Students placed in only one of the above mentioned classes (College English or College Math) are eligible to take 4 other classes as assigned by the academic advisors. Students enrolled in both College English and College Math classes are eligible to take 2 other classes as assigned by the academic advisors.

Note: The non-credit bearing College English and College Math classes do not count toward graduation.

Conditional Admission and Graduation

Students taking Preparatory English and/or Math courses will be able to graduate on time only if they create an effective study plan with their academic advisor. When starting their academic life at RIT Kosovo (A.U.K), students who are admitted conditionally will be behind in terms of credits earned; however, this can be compensated if the students are willing to take summer courses during their time at RIT Kosovo (A.U.K). In cases where the student does not want to

compensate in that manner, the student may find it necessary to enroll for an additional semester at RIT Kosovo (A.U.K).

Performance and Evaluation

ELCA (62) – Intro to Academic English and ACSC (72) - Critical Math Skills are RIT Kosovo (A.U.K) courses, hence academic policies regarding course performance, testing, and evaluation apply as for all other courses. The passing grade for the courses is a D and above (60 and above).

Student Support

Academic Advising

Academic advising is an integral part of a student's education at RIT Kosovo (A.U.K). Our goal at RIT Kosovo (A.U.K) is to enable students to derive the greatest possible benefit from their educational experience by making academic advising a continuous, active process involving the student, advisor, and institution.

Upon entering the RIT Academic Program at RIT Kosovo (A.U.K), each student is assigned an academic advisor at RITK and a secondary advisor in the main campus in Rochester. Contact us if you have questions about:

- Course registration
- Dropping or withdrawing from a course
- Calculating your GPA
- Transferring credit
- Determining how many classes you have left in your degree
- Substituting one course for another course that you have taken or would like to take
- Seeking information and advice about any other issues related to your academic course of study

Academic Support Center

The mission of the Academic Support Center (ASC) at RIT Kosovo (A.U.K) is to assist and empower students to achieve academic success. The ASC offers a variety of initiatives and services to students, faculty, and staff. ASC Student Support Specialists work directly with students and are available for consultation to develop a plan of support for students' academic efforts, enhancing the academic experience, and for students facing probation or suspension.

Math Support: A thorough evaluation of math skills and study strategies is available for students who struggle in a math or math-related course. It is also appropriate for those students who are returning to a math course after at least one term of non-enrollment. Results are immediately evaluated and, with the student, an appropriate course of action is developed.

English Support: A free service introduces students to more effective English learning and study strategies. Students work one-on-one with a student support specialist to enhance time management and study habits, as well as learn about important resources on campus. Academic English coaching utilizes an individualized approach, helping students identify academic strengths and strategies that will aid in learning.

Details of Academic Programs

RIT Kosovo (A.U.K) offers an American degree with innovation, adaptability and creative pathways that prepare students with professional and life skills for a global world. The Rochester Institute of Technology, RIT Kosovo (A.U.K)'s degree granting partner, offers students the opportunity to create undergraduate programs from two or more professional areas of study with a strong foundation in the social sciences, through RIT's innovative School of Individualized Study. In Kosovo, these professional areas of study are Management and Entrepreneurship, Economics and Statistics, Public Policy and Governance, Graphic Design and Multimedia and our newest offering Web and Mobile Computing (IT). Students can earn a two-year Associates Degree or a four-year Bachelor Degree in Applied Arts and Sciences from the School of Individualized Study at our location in Kosovo. In our degree programs, students work closely with faculty and professional advisers to design unique, multidisciplinary plans of study that combine several areas of academic knowledge and interests. The applied arts and sciences program is particularly appropriate for individuals who want to prepare themselves for a career that requires skills and expertise from several disciplines. This blended learning environment provides a strong base for student in Kosovo, the region and around the world to learn and practice critical thinking, leadership and communications skills across disciplines while gaining the technical knowledge in the areas of professional study that best suit the individual. In addition to those professional concentrations offered in Kosovo students may elect to do a semester or year abroad at the Rochester campus or other global campuses to complete coursework not offered at this location. The School of Individualized Study is also a good choice for those who have unique ideas about how they want to design their academic areas of study, have prior college-level learning, or are interested in changing majors.

A new general education curriculum took effect in the fall semester of 2013. Students, who entered RIT Kosovo (A.U.K) during academic year 2012-13 or later as a first-year or transfer student, must follow the new general education curriculum. This curriculum consists of three categories: foundation, perspective, and immersion.

Foundation courses consist of “UWRT-150 FYW: Writing Seminar” and “ENGL-216 Literature from Around the World”.

The perspective category introduces students to important areas of inquiry that provide ways of knowing about the world. The perspectives represented in this category are ethical, artistic, global, social, scientific, and mathematical. The number of required credits in this category is 15 for the AAS degree and 24 for the BS degree.

Immersion is offered through a series of three related general education courses and provides a focus area linked by a theme or discipline and is a requirement of the BS degree.

The credits required in each of the three areas are summarized below in Tables 1 and 2.

General Education Framework

The framework for general education provides students with courses that meet specific approved general education learning outcomes and New York State Education Department liberal arts and sciences requirements. The general education framework intentionally moves through three educational phases designed to give students a strong foundation, an introduction to fundamentals of liberal arts and sciences disciplines, and the opportunity for deeper study and integrative learning through immersion in a cluster of related courses.

The general education curriculum consists of the following requirements:

Preparatory courses

Two courses in the first year that introduce students to the intellectual life of the university, and provide a focus on communication skills to prepare students for future coursework and life-long learning.

LAS Foundation 1: UWRT-150 Writing Seminar

LAS Foundation 2: ENGL-216 Literature from Around the World

Perspectives

1. *Perspective 1 (ethical)*: Courses focus on ethical aspects of decision-making and argument, whether at the individual, group, national, or international level. These courses provide students with an understanding of how ethical problems and questions can be conceived and resolved, and how ethical forms of reasoning emerge and are applied to such challenges.
2. *Perspective 2 (artistic)*: Courses focus on the analysis of forms of artistic expression in the context of the societies and cultures that produced and sustained them. These courses provide insight into the creative process, the nature of aesthetic experience, the fundamentals of criticism and aesthetic discrimination, and the ways in which societies and cultures express their values through their art.
3. *Perspective 3 (global)*: Courses in this category encourage students to see life from a perspective wider than their own and to understand the diversity of human cultures within an interconnected global society. Courses explore the interconnectedness of the local and the global in today's world or in historical examples, and encourage students to see how global forces reverberate at the local level.
4. *Perspective 4 (social)*: Courses focus on the analysis of human behavior within the context of social systems and institutions. Because student success depends on the ability to understand how social groups function and operate, these courses provide insight into the workings of social institutions' processes.
5. *Perspective 5 (natural science inquiry)*: Science is more than a collection of facts and theories, so students are expected to understand and participate in the process of science inquiry. Courses focus on the basic principles and concepts of one of the natural sciences. In these classes, students apply methods of scientific inquiry and problem solving in a

- laboratory or field experience.
6. *Perspective 6 (scientific principles)*: Courses focus on the foundational principles of a natural science or provide an opportunity to apply methods of scientific inquiry in the natural or social sciences. Courses may or may not include a laboratory experience.
 7. *Perspectives 7A, 7B (mathematical)*: Courses focus on identifying and understanding the role that mathematics plays in the world. In these courses, students comprehend and evaluate mathematical or statistical information and perform college level mathematical operations on quantitative data.

The remaining general education elective credits may be specified by the academic programs in order for students to fulfill supporting requirements (e.g. math or science, foreign languages, etc.). Some of these credits will be free general education electives that can be chosen by the students themselves. Credits in the perspectives category that exceed the minimum requirement will be applied toward the elective credits.

Minors

At RIT Kosovo (A.U.K), a minor is defined as a thematically related set of courses consisting of no fewer than 15 semester credit hours taken from a discipline or an interdisciplinary area distinct from the student’s primary program of study. Completion of a minor results in a formal designation on a student’s academic transcript upon graduation. Additional Academic Information, Opportunities, Policies and Processes

The Grading System

At the commencement of the course, and as appropriate throughout the course, it is the instructor's responsibility to:

- Define criteria for evaluation.
- State the process for converting the professor's evaluation criteria to the RIT refined grading system.*

*From the fall of 2014, the Refined Grading System (RGS) is the only grading system in use at RIT Kosovo (A.U.K).

The Refined (plus/minus) Grading System (RGS)

By adding five +/-marks to the former grading system, referred to here as the Whole Letter Grading System (WLGS), the RGS allows faculty to provide a more accurate measurement of student work. As shown in Table 1, quality points for the A, B, C, D and F grades are the same in both grading systems.

3: RGS (plus/minus) and WLGS (whole letter) quality points compared.

RGS Grade	Quality Points	
	RGS	WLGS
A	4.000	4.0
A-	3.667	
B+	3.333	
B	3.000	3.0
B-	2.667	
C+	2.333	
C	2.000	2.0
C-	1.667	
D	1.000	1.0
F	0.000	0.0

4: Additional grades and notations that may be found on a student term record or transcript.

Grade	Definition
_____	Blank - that is, the grade has not yet been assigned or no grade is expected.
R	Registered -a permanent grade used in graduate coursework indicating that a student has registered for a given course but has yet to meet the total requirements for the course or has continuing requirements to be met. The grade is given in graduate thesis work. Completion of this work will be noted by having the approved/accepted thesis or dissertation title, as received by the registrar from the department, added to the student's permanent record. Full tuition is charged for these courses. "R" graded courses are allowed in the calculation of the residency requirement for graduate programs; however, they do not affect GPA calculations. A student may receive a grade of "U" or "I" in a given term of an "R" graded course. A "U" grade in this case carries no credit and the
W	Withdrawn -a grade that indicates an official course withdrawal has been processed.
S	<p>Satisfactory -(undergraduate) -A satisfactory grade may only apply to acceptable completion of cooperative work experience, internships, courses bearing course numbers of 099 or below, and study abroad courses offered by affiliated programs. With the exception of study abroad, such courses do not count toward residency requirements, earn credit hours or affect grade point average calculations. In the case of study abroad courses, credits covered by the "S" grade will count toward residency requirements and will earn credit hours. The "S" grade will not affect grade point average.</p> <p>Satisfactory (graduate) -A satisfactory grade at the graduate level may only apply to seminar courses where programs have determined that a traditional "A", "B", "C", "D" letter grade is inappropriate. An "S" grade at the graduate level carries no quality points and therefore does not enter into a GPA calculation. A student may receive a grade of "U"</p>
I	<p>Incomplete -When an instructor observes conditions beyond the control of a student such that the student is unable to complete course requirements in the given term or session, the instructor may assign an Incomplete notation ("I") to a student. The instructor determines and advises the student of the due date, not to exceed two terms including summer session but excluding intersession, by which the student must complete course requirements. If the registrar has not received a "Change of Grade" form from the professor after two terms including summer session but excluding intersession, then the Incomplete becomes an "F" grade or a "U" grade if the "I" was associated with an "R" or "S" graded graduate course. An extension of time may be granted at the discretion of the instructor. Credit hours are not earned and the GPA is not affected until a permanent grade is assigned.</p> <p>If there are extenuating circumstances which render an instructor unable to assign a grade or evaluate a student's work and assign a grade to replace an "Incomplete" notation, the head of the academic unit in which the course was taught will select an instructor to act in the place of the original instructor.</p>
U	Unsatisfactory (graduate) -a permanent grade used in certain graduate coursework indicating that a student made unsatisfactory progress towards completing the course requirements. No credit hours are earned for a "U" grade and the "U" grade does not affect the calculation of quality points or GPA. A "U" grade in an "R" or "S" graded course carries no credit and the course must be repeated.

WV	Waived courses -those courses eliminated from the list of requirements that a student must take to graduate. For undergraduate students, only physical education courses and cooperative work experience may be waived because of previously completed
X	<p>X Grade -Assigned for successful completion of various assessments as defined in. "X" grade has three purposes:</p> <ul style="list-style-type: none"> • indicate credit by exam (undergraduate), • indicate credit for non-traditional learning (undergraduate),and • indicate Credit by Competency (graduate) • "X" graded courses do not count toward the residency requirement and do not affect GPA calculations. Credit hours are included ashours earned. <p>For graduate students, the total combined amount of credit applied through external (non-RIT) transfer credit, waived courses, and credit by competency may not exceed 20% of the total credits in the graduate program as noted in the graduate catalog. Exceptions to the maximum credit by exam for graduate programs can be granted by the Graduate Council in unusual circumstances upon appeal from the dean of the college involved. For programs housed outside the college structure, the approval of the director</p>
AU	<p>Audit -indicates a student has officially registered for the course for no credit. Courses available for audit are at the discretion of the college or academic unit. With permission of the instructor, the student may elect to take examinations and do course assignments. Audited courses do not count toward the residency or other degree requirements. Credit hours are not earned and GPA calculations are not affected.</p> <p>A student may register for audit any time during the official registration period for the term. However, a student may not change from audit to credit or credit to audit after the official add/drop period (first seven calendar days, excluding Sundays and holidays, of the full fall, and spring terms and summer session.) Graduation Requirements

General Requirements

Students enrolled at RIT Kosovo (A.U.K) earn a Bachelor of Science (BS) degree from The Rochester Institute of Technology in Rochester, NY, U.S.A., upon successful completion of degree requirements. To earn any academic credential from RIT, students must satisfy a number of graduation requirements, which may vary significantly from program to program. All students should seek out and use the academic advising resources at RIT Kosovo (A.U.K) to assist them in planning their academic program of study. In general, students should expect to satisfy the following requirements before they can graduate:

Completion of academic curricula

Students must satisfactorily complete all of the courses in their academic program (at RIT Kosovo (A.U.K) this is either the AAS or the BS in Applied Arts and Sciences or in the Graduate Program in Professional Studies). General education requirements and specific course requirements for each program are identified earlier in this bulletin. This bulletin and careful consultation with an academic adviser provide the best resources for planning and completing all of the requirements necessary for graduation.

The curriculum in effect at the time of admission into a program will normally be the curriculum one must complete in order to graduate. Occasionally, with departmental approval, course substitutions and other minor curricular modifications may occur. Although there is no time limit within which students must complete their course requirements, the curriculum under which a student is certified to graduate must be no more than seven years old.

Grade point average standard

Successful candidates for an undergraduate degree must have a program cumulative grade point average of at least 2.0, specifically a minimum GPA of 2.0 in each of the Professional Core Concentrations is required.⁴ The Minor GPA must also be at least 2.0 in order to be certified. Graduation honors are conferred on those who achieve a 3.40 or higher program cumulative GPA.

Demonstration of writing skills

Students must demonstrate the writing skills necessary for successful entry into their chosen careers.

⁴ Refer to the RIT, School of Individualized Study (SOIS), Undergraduate Handbook, when additional information about the GPA requirement is requested. See the Manager of RIT Academic Affairs or the RIT Kosovo™ (A.U.K) Vice President for Academic Affairs for disputes on this policy. The GPA requirement has been as stated for over 16 years.

Fulfillment of financial obligations

Students must fulfill all financial obligations to RIT Kosovo (A.U.K) before they can be certified to graduate.

Graduation Requirements (Checklist)

- ✓ Completion of Academic Curricula (completion of at least 120 semester credit hours and an approved Plan of Study⁵)
- ✓ Professional Core (Concentrations) declaration
- ✓ Immersion declaration
- ✓ Minor declaration⁶
- ✓ Residency requirement - minimum 30 credits taken through RIT along with 20 of the last 30 credits taken through RIT courses
- ✓ Successful completion of Professional Core (concentration) declaration essay and Multidisciplinary life course essay writing requirements
- ✓ A cumulative GPA of 2.0 or above
- ✓ A GPA of 2.0 or above in each professional concentration and Minor
- ✓ Fulfillment of financial obligations
- ✓ Application for Graduation completed

Co-op Career Programs

The educational philosophy of RIT Kosovo (A.U.K) is based on the RIT model of Career Education. This means that students do not gain only theoretical knowledge, but also engage in hands-on experiential learning in a real-world environment.

A Co-op is a cooperative education work experience in a private or governmental organization in Kosovo or abroad. It is a paid professional experience of 400 hours which must be completed within a 3-month period (full-time students) or 6-month period (part-time students). The Co-op must be a qualitative learning experience related to the student's career interests and should provide new challenges and opportunities.

Each RIT Kosovo (A.U.K) student must complete two diverse Co-ops to be eligible for the Bachelor Degree. One Co-op should be completed during the freshman and sophomore years and the other Co-op during the junior and senior years. Students who already have a full-time job may request that their employment be considered for fulfillment of the Co-op requirement.

Co-op Registration and Evaluation

Each student must register the Co-op prior to beginning the experience. After identifying an experience, approval by the Co-op & Career Services Office is required. The Co-op is registered through Co-op Registration Form only. Once approved, the student may begin the registered Co-op experience. The Co-op is administratively registered in SIS by the Co-op & Career Services Office in the following semester.

⁵ Students may end up graduating with more than 120 credits, especially in case of course transfer.

⁶ For students choosing to graduate with a Minor

At the end of the Co-op experience, each student must ask his/her supervisor to submit the Co-op Employer Evaluation Form directly to the Co-op & Career Services Office either by e-mail or in a sealed and stamped envelope. In addition, a Co-op Student Evaluation Form should be submitted directly by the student who has finished the Co-op. Without these two evaluation forms, a student cannot receive the Co-op grade. All Co-op forms and detailed Co-op procedures can be found on the RIT Kosovo (A.U.K) website. A student being evaluated for his/her Co-op may receive two possible grades: 'S' which stands for Satisfactory and 'I' which stands for Incomplete. If the student receiving the 'Incomplete' grade fails to finish the Co-op within two consecutive semesters, the Co-op grade becomes F (Failed) and the student must complete another Co-op to fulfill the degree requirements.

Criteria and Approvals of Co-ops

The main criterion for approval is that a Co-op be a challenging and meaningful professional experience where a student can apply concepts and skills learned in RIT Kosovo (A.U.K) courses, and is consistent with his/her career objectives. Whereas the first Co-op may be a career exploration in any type of sector and position, the second Co-op should be related to the choice of concentrations and career path. The Co-op must be registered prior to start to be considered for approval. In addition, the Co-op should be paid, with exceptions made for governmental institutions. The second Co-op will not be approved if it is the same as the previous one. Family business Co-ops are not approved, unless for specific reasons and with specific requirements made on an individual basis.

Registration and Course Actions

Course Registration

To be officially registered at A.U.K, a student must be academically eligible, have been properly enrolled in a course, and have made the appropriate financial commitment. The registration process is simple and can be accomplished on-line from any computer.

Announcements are made for the proper time during which your particular class year (Freshman, Sophomore, Junior, or Senior) is permitted to register for the next semester. Freshmen are provided their course schedule for the first academic semester.

Please be advised that RIT Kosovo (A.U.K) reserves the right to alter any of its courses or to cancel a class due to low registration at any time.

For some classes, RIT Kosovo (A.U.K) may restrict enrollment to particular groups of students (for example, students in specific year groups or students who have already satisfied course prerequisites).

TO REGISTER FOR A SIXTH CLASS, STUDENTS MUST:

1. Meet with their advisor at least ONE WEEK prior to the registration period, as the sixth course is registered only through the advisors; students who fail to do so will not be able to take a sixth course
2. Have a GPA greater than 3.0; those with a GPA of 3.0 or less CANNOT register for six courses in one semester

3. Pay an additional fee

Most courses have restrictions regarding class size and availability of professors. Some electives may not be open every semester. Students are strongly encouraged to seek out academic advice and plan their academic careers carefully.

Reading your Plan of Study

Both the Associate (AAS) and Bachelor's Degrees (BS) are broken down into two main areas of study: general education courses (left hand side) and the professional concentration area (right hand side).

The main column headings of your plan of study worksheet are defined below to help you understand how the worksheet is laid out.

Adding and Dropping Courses

Add/Drop is available in the first five working days of the semester. During this five-day period, you can change your schedule by either adding or dropping a class online. No record of this appears on your transcript. However, you must obtain the signature/ approval of the academic advisor for any class that is closed and you wish to add.

Add/Drop forms are available in Academic Services.

REMEMBER

- Not attending a class does not constitute an official drop. You could end up getting a failing grade for a course you did not think you were in.
- Attending a class does not mean you are officially registered for it unless you have successfully completed the online registration and submitted the required form if necessary.

Before you drop one course to take a different course, be certain that you have obtained permission from the academic advisors. There may not be room in that course section and your schedule may prohibit you from taking a different section – make certain there are no conflicts with any other courses for which you have already registered.

Course Withdrawal

Students are strongly advised to consult with their academic advisor and instructor before withdrawing from any courses. A student may not use the drop with a grade of “W” option to avoid charges of academic dishonesty or after the instructor has officially submitted the final grade.

Prior to the end of the twelfth week of fall or spring term, a “W” will be assigned upon the student’s online request. Students are strongly advised to consult with their academic advisor and instructor before they withdraw from any courses. In processing the request, the student, course instructor, advisor and the home program or Vice President will be notified via e-mail.

After the twelfth week and up to the last official class day of fall or spring term, a “W” will be assigned only with the approval and written signatures of the student, course instructor, the home program or Vice President.

While a “W” will appear on the student’s transcript, it carries no credit and does not affect GPA. When a student chooses to drop a course with a grade of “W”, full tuition is charged.

Impact of Multiple Withdrawals

1. Students can withdraw from courses at any time before the 12th week of class. Please refer to the Withdrawal and Refund Policy for additional information.
2. All withdrawals are marked “W” on student academic transcripts.
3. An accumulation of W’s can have a negative effect on your acceptance into graduate programs.
4. Consult your advisor and instructor before withdrawing from courses.

Impact of Withdrawals on Scholarships and Financial Aid

The following conditions apply to all students who receive any form of scholarship, financial aid, or tuition reduction assistance directly from RIT Kosovo (A.U.K). The conditions may not apply to any form of scholarship or aid award received from a third party institution or private individual.

If at any point during a student's enrollment at RIT Kosovo (A.U.K), the student accrues one "W" on the official RIT transcript as a result of withdrawing from a course, the student's scholarship or aid award will remain unaffected. Furthermore, the student will remain eligible to apply for any future aid programs offered by RIT Kosovo (A.U.K).

If at any point during a student's enrollment at RIT Kosovo (A.U.K) the student accrues two "W's" on his or her official RIT transcript as a result of withdrawing from multiple courses, the student's scholarship or aid award will be decreased by exactly half the original amount awarded for the remainder of the student's enrollment at RIT Kosovo (A.U.K). Furthermore, the student will forfeit his or her eligibility to apply for any future aid programs offered by RIT Kosovo (A.U.K). However, if the student is the recipient of a multi-year scholarship award, the student will continue to receive funding (reduced by half) as stipulated in the original award for subsequent years.

If at any point during a student's enrollment at RIT Kosovo (A.U.K) the student accrues three "W's" on his or her official RIT transcript as a result of withdrawing from multiple courses, the student's scholarship or aid award will be cut and he or she will no longer receive any financial support from RIT Kosovo (A.U.K). Furthermore, the student will forfeit his or her eligibility to apply for any future aid programs offered by RIT Kosovo (A.U.K).

RIT Kosovo (A.U.K) Official Policy on Attendance

Absences for whatever reason do not relieve students of their responsibility for fulfilling normal requirements in any course. In particular, it is the student's responsibility to make individual arrangements in advance of missing class due to personal obligations such as religious holidays, job interviews, athletic contests, etc., in order that he or she may meet his or her obligations without penalty for missing class.

- a. A student may have no more than three unexcused absences in a given course before their grade is affected. Each unexcused absence after three will lower the student's course grade by one letter grade as defined in the Refined Grading System.⁷ This is mandatory.
- b. It is the student's responsibility to notify the faculty member in advance of any planned absence.
- c. Instructors are responsible for either excusing or not excusing a student for class, allowing or not allowing make-ups or alternate dates for tests and classes. RIT Kosovo (A.U.K) will inform instructors about events (recruitment drives, media events, co-op interviews) for which students may request an excuse from classes, but the final decision to grant an excuse rests with the instructor. RIT Kosovo (A.U.K) will support the faculty

⁷ Example: For unexcused absences after the third absence, a student who was an earning a B will be lowered to a B- at his or her fourth absence and subsequently lowered to a C+ at his or her fifth absence.

- member's class policy with regard to testing and attendance.
- d. Non-attendance does not constitute an official withdrawal and may result in a failing grade.
 - e. Class hours consist of 90-minute teaching blocks. Faculty and students are expected to begin and end class and any breaks on time. Except in cases of emergency, students are expected to remain in attendance at all times the class is in session.

Grades

Grade Point Average

There will be two methods of grade point average calculation that appear on student grade reports and transcripts:

1. Term
2. Cumulative

The term grade point average reflects a single term of academic activity. The cumulative grade point average reflects the sum total of course work completed at RIT Kosovo (A.U.K) and is updated each term the student is in attendance. All GPA calculations are carried out to two decimal places. Rounding will be done by adding .005 to the unrounded results and truncating after the second decimal place.

In the case of a repeated or excluded course, the student's permanent academic record will show a notation indicating the course has been repeated or excluded from both GPA calculations. The notation will not affect previously posted academic actions (such as probation or suspension).

A student who completes undergraduate studies and then engages in graduate study at RIT will begin a new graduate cumulative GPA when re-classified as a graduate student.

Changing Grades

Once a grade has been officially reported by an instructor, it is normally not the right of any person to change the grade unless an actual error has been made in computing or recording it. If an error has been made, the instructor must complete the Change of Grade/Extension or Incomplete Form and the completed form must be approved by the Vice President for Academic Affairs (VPAA). When approved by both of these individuals, the form is to be forwarded to the Registrar's Office.

In extraordinary circumstances and at his or her discretion, the VPAA may, without violating the student's right to confidentiality and after consultation with the instructor in which the course was taken, settle special cases of an appeal of an assigned grade by administratively removing a student's name from an official course roster and removing the student's assigned grade from the student's official transcript. The Vice President will inform the instructor of this action and, if giving such information does not violate the student's right to confidentiality, explain the reason for it.

Repeating Courses to Raise Low Grades

A student may repeat a course to raise a grade. If a student repeats a course, the last grade will stand as final even if the last grade earned is lower than the grade previously earned.

Courses taken at other institutions cannot be considered as repeats. Credit earned by examination/experience cannot be used to repeat previous course work. This process only applies to coursework in undergraduate programs.

Student Grade Disputes

In instances where a student has significant reasons for disputing a final course grade, and has consulted with the instructor and the Manager for RIT Academic Affairs, but still considers more attention needs to be given to his/her grade appeal, the student may present his/her case to the RIT Kosovo (A.U.K) Final Course Grade Dispute Committee.

The Final Course Grade Dispute Committee shall consist of three instructors (full-time senior faculty) and may be part of the same pool of instructors who sit on the Academic Conduct Committee. The Vice President will appoint instructors to the ad hoc committee on a case-by-case basis provided that they are not directly or indirectly involved in the specific case. Instructors should recuse themselves based on case involvement or bias and alternates will be appointed. The student bringing the case to the Committee may also provide justification to request an alternate member of the Committee, based on case involvement or bias. A student may only appeal a final course grade in instances where the grade was submitted for the previous semester. Final course grade appeals will not be considered for grades submitted in earlier semesters. <http://www.rit.edu/~w- policy/sectionD/D17.html>

Student Records and Transcripts

Confidentiality of student records

RIT Kosovo (A.U.K) students have the right to inspect, review, and challenge the accuracy of their official educational records. Students are also accorded the right to receive a formal hearing if dissatisfied with responses to questions regarding the content of the record.

RIT Kosovo (A.U.K) policies ensure that only proper use is made of such records. Therefore, with the exception of copies made for internal use (those provided to faculty and staff who have a legitimate need to know their contents), no copy of a student's academic record (transcript) or other nonpublic information from student records will be released to anyone without the student's written authorization.

Transcripts

An RIT Kosovo (A.U.K) student's official academic record is maintained by the RIT Office of the Registrar and is normally reflected through a transcript. All requests for transcripts must be in writing and should include the student's full name (or name used while at RIT Kosovo (A.U.K)), student identification number, dates of attendance, and signature to assure proper identification of the record requested. Transcripts are usually prepared and available within one week after

the request is received.

Under no circumstances will a partial transcript be issued, nor will a transcript be issued to a student who is indebted to RIT Kosovo (A.U.K). Copies of transcripts from high schools and universities that have been received in support of admission applications and/or transfer credit evaluation will not be reissued by RIT Kosovo (A.U.K).

Dean's List eligibility

By action of the college concerned, full-time degree-seeking undergraduate students will be placed on the Dean's List if their term GPA is greater than or equal to 3.40; they do not have any grades of "Incomplete", "D" or "F", (including wellness and any other non-credit but required courses); and they have registered for, and completed, at least 12 credit hours.

Degree-seeking undergraduate students who maintain less than 12 credit hours in each term in which they are enrolled during the academic year may qualify for Dean's List if they have completed at least 9 credit hours during the academic year (fall, intersession, spring, and summer term).

The Dean's List evaluation will occur at the end of the summer term or in the degree certification term. Placement on Dean's List is noted on the student's official transcript.

Graduating with honors

Degree honors are applicable to undergraduate students only. Honors posted to the academic record will be based upon the student's cumulative grade point average upon completion of the degree requirements. The registrar will post honors to the student's academic record and they will be reflected on the official transcript. The numerical criteria for graduation with honors are as follows:

- summa cum laude -3.80 cumulative GPA
- magna cum laude -3.60 cumulative GPA
- cum laude -3.40 cumulative GPA

Honors reported for inclusion in the Commencement Book must be based on a minimum of 30 credit hours earned (see residency requirement for graduation) and the student's cumulative GPA. In addition, the Commencement Book will only reflect honors earned by the end of the fall term.

The GPA calculation will be carried out to two decimal places. Rounding will be done by adding .5 to the unrounded results and truncating after the second decimal place.

The dean (or department head for any degree granting programs outside the college structure) may, in extraordinary circumstances, act to grant graduation with honors to students who do not meet all the criteria listed. A copy of the notice of exception, with reason, is to be sent to the registrar to become part of the student's academic record.

Outstanding Undergraduate Scholar Award

One of the traditional concerns of colleges and universities is with the definition and recognition

of excellence. The Outstanding Undergraduate Scholar Award has been established to recognize excellence in academic achievement by students. Those selected to receive the award are designated RIT Scholars in perpetuity. The achievement is noted on the Scholar's transcript and recognized through a specially designed medallion symbolic of high academic achievement. The awards are presented either at a special convocation held prior to the end of each academic year or at commencement ceremonies.

The procedure for the selection of award winners is:

- Maximum number of students eligible
- The maximum number of recipients of the award in any year will not exceed one (1) percent of the full-time equivalent enrollment of RIT Kosovo (A.U.K) in the preceding fall term.
- It is the intent of this policy that each college, including RIT Kosovo (A.U.K) will be permitted to nominate at least one student for the award although the college may choose not to do so.
- It is the intent of this policy that transfer students and part-time students will be eligible to receive the award.
- It is the intent of the policy that generally the award be limited to those registered at RIT during the fall term. However, students identified by a college as not currently enrolled, but who are actively pursuing completion of degree requirements, can be added to the list of candidates.

Minimum University Requirements

1. Must have completed 83-128 credit hours of work, of which not less than 45 hours must be in RIT grade-bearing courses.
2. Must have a cumulative GPA of 3.85 for all work completed as of the previous spring term.

Selection Process

A committee as specified in section V. below will be responsible for selecting the recipients of the award in each college. In making its decision, the committee will give careful attention to the academic achievements and activities of the student and to factors that in the judgment of the committee are closely related to such academic achievements and activities. Examples include, but are not limited to, the following: creative work, employment, student committees, civic activities, and independent research projects.

The committee is free to call upon other persons from the faculty, staff or student body for help in reaching a decision. Students being considered may be asked to interview with the committee members.

On the basis of these deliberations the committee will choose or will decide not to choose one or more recipients of the award, but the number is not to exceed one (1) percent of the college FTE enrollment of the previous fall semester.

Names of students chosen to receive the award must be accompanied by:

- a. a brief biography and resume of the student;
- b. a personal statement (up to one page) from the student;
- c. a statement from the selection committee giving reasons for its choice of the student;
- d. statement(s) from at least one non-major instructor in support of making the award to that student.

The names of award winners must be forwarded to the Vice President for Academic Affairs of RIT Kosovo (A.U.K) by the first Monday in December.

Global Location Online Course Policy:

Students must submit an online course request form to their home campus advisor. Students should be encouraged to submit online course requests by the fifth week of the preceding semester (EX: 5th week of the MAIN Campus Summer term for enrollment in the Fall semester). The academic advisor should send the course requests, including student reasoning, to the RIT Global office. The RIT Global office will confirm approval and tuition rate to be charged to the student. New enrollment in online courses will not be considered after the start of the semester.

Process:

- Global location students will be allowed to enroll in up to two online courses from RIT as a substitute for on-campus courses at the normal home campus tuition rate.
- The global advisor sends a list of requested online courses to the RIT Global office for review and approval. The RIT Global office will raise approval or concerns within 3 business days.
- The student's home campus advisors may not register students until at least 10 business days after the semester enrollment begins.
- Approval to enroll students may be dependent on available course enrollment. If a course is full, the global location advisor may not request a course overload or add students to a waiting list. The academic advisor must follow all course pre-requisites and restrictions unless otherwise approved by the RIT academic department.
- The global advisors will notify the home campus financial office of the online enrollments. RIT Global will ensure communication to the home campus financial office if the student will be required to pay more than the normal home campus tuition rate.
- The global advisors will send a final list of students enrolled in an online course to the RIT Global office by the end of the RIT MAIN add/drop period.
- The global academic advising office is responsible to ensure the limit of two online courses at the normal home campus tuition rate and should notify the RIT Global office of requests for additional online courses.
- The RIT Global office will provide the list of students enrolled in online courses to the RIT Student Financial Services office (SFS) and the RIT Registrar's office.

Participation in Commencement

Participation in Commencement is a celebration for students who have completed certain requirements for graduation. The student's academic advisor confirms whether a student has completed all requirements to participate in Commencement. The diploma will not be awarded until the final course is completed successfully and recorded.

The following are the criteria for commencement participation:

- • Students with 4 or more remaining courses WILL NOT be allowed to march at commencement
- • Students with 3 remaining courses or less and a cumulative GPA of 2.0 or higher will be allowed to march

A degree candidate who, due to extenuating circumstances, cannot participate in the graduation ceremony held at the end of the academic year may participate in the graduation ceremony held the following year.

* Participation in Commencement Policy change has been effective as of March 2018. Please refer to the previous Academic Bulletin for old Participation in Commencement Policy.

Leave, Suspension, Probation, Conditional Probation

Leave of Absence

A student who is having serious problems (whether medical, family, or employment) to the extent that it interferes with his or her ability to function as a student may request a Leave of Absence. An official Institute Withdrawal or Leave of Absence Form must be submitted to Academic Services. Documentation may be required to support the claim and the decision will be made by the Director of Academic Affairs, in consultation with Academic Services. Under certain conditions, some partial refund of tuition may be available. (See Financial Information in this Bulletin)

Medical Leave

In some cases, RIT Kosovo (A.U.K) may place a student on Medical Leave. A Medical Leave will be used only in circumstances where a student is deemed unable to function successfully at RIT Kosovo (A.U.K) as a result of medical, psychological, or related personal situations and is unable

or unwilling to request a Leave of Absence. The Medical Leave is intended to provide students with time to resolve their circumstances in a satisfactory manner without seriously undermining their ability to successfully complete their academic programs and without compromising the safety and welfare of the RIT Kosovo (A.U.K) community.

A Medical Leave can be granted for no more than five (5) consecutive semesters (eight (8) for part-time students) including summer. If the conditions are not achieved or complied with in this time period, the student will have to reapply for admission in accordance with readmission procedures. In some extraordinary cases, stipulated conditions may be attached to the Medical Leave that would extend the period of the leave beyond five/eight semesters. An Initiated Medical Leave will be imposed by the Director of Academic Affairs (or his/her designee) only after appropriate discussion with the necessary RIT Kosovo (A.U.K) parties and discussion with the student and -in appropriate circumstances -the student's family.

Academic Probation and Suspension

Conditions for Academic Probation/Suspension

All students at RIT Kosovo (A.U.K) are expected to meet or exceed certain minimal academic standards. Failure to do so will result in being placed on academic probation or suspension. All such actions are taken by Academic Services, under the direction of the RIT Kosovo (A.U.K) Manager of Academic Affairs, at the end of each semester; once the action is made, it may be changed or revoked only by the Vice President for Academic Affairs at RIT Kosovo (A.U.K).

Grade Point Average (GPA) standards

- Semester GPA = grade average of all courses taken in a semester that are applicable to a student's degree requirements.
- Cumulative GPA = grade average of all course work taken as an undergraduate.

An undergraduate student must maintain a cumulative GPA of 2.00 or above at RIT to remain in good academic standing. To help students maintain satisfactory academic performance, RIT has set academic standards that serve to identify, warn, and provide timely intervention to a student who is experiencing academic difficulty.

All probation and academic suspension actions are taken at the end of the fall, spring and summer terms.

Probation

Probation refers to the academic action taken when a student is not in good academic standing. A student placed on probation is expected to sufficiently raise his/her GPA in the succeeding term so that the probationary status can be removed. In some circumstances, a student will also be required to satisfy specific conditions required in the form of an academic contract in order to be removed from probation. Failure to meet the terms of probation may result in suspension.

Suspension

Suspension refers to the academic action taken when a student is not permitted to enroll in courses at the university for a period of one calendar year.

1. Any degree-seeking undergraduate student whose term or cumulative gradepoint

- average falls below a 2.00 (C average) will be placed on probation.
2. Any student who is on probation according to 1. above and who is not removed from probation in the two succeeding terms (including summer session) in which credit is attempted will be suspended from RIT for a period of one calendar year.
 3. Any student who has been placed on probation after having been removed from probation and whose cumulative grade point average is below 2.00 will be suspended.
 4. Any student who has been placed on probation after having been removed from probation and whose cumulative grade point average is 2.00 or above will be granted one term to be removed from probation before suspension from RIT.
 5. Any student whose term grade point average falls below 1.00 will be suspended from RIT for a period of one calendar year.
 6. Students with 3 reported instances of Academic Dishonesty in their file will be placed on suspension automatically.
 7. Students who have been readmitted to their original program after having been suspended and then qualify for probation will be suspended from RIT.
 8. A suspended student cannot enroll in any credit or non-credit course at RIT Kosovo (A.U.K) while on suspension.
 9. A suspended student may appeal a suspension decision.
 10. A suspension may be waived upon written appeal from the student. Final suspension waiver requires the Vice President (or designee) approval. For programs housed outside the college structure, the approval of the director of the academic unit in which the enrollment is requested is required.
 11. A suspended student may be required to satisfy specific academic conditions imposed by University in order to be considered for readmission to his/her program.
 12. A suspended student may be admitted to another program if it is approved by the Vice President (or designee) of the college in which enrollment is requested. For programs housed outside the college structure, the approval of the director of the academic program in which the enrollment is requested is required.
 13. Students must apply through undergraduate admissions for re-admission at the end of their suspension. Such re-admission must be approved by the Vice President (or his/her designee) of the college for which they are requesting enrollment (this may be the original college or another). For programs housed outside the college structure, the re-admission must be approved by the director (or designee) of the academic unit for which they are requesting enrollment.

Conditional Academic Contracts

Students who have been suspended may appeal to the Vice President for RIT Kosovo (A.U.K)-RIT Academic Affairs to have the suspension temporarily waived and to be placed on a "Conditional Academic Contract." Conditional contracts will be awarded to students who can demonstrate (with the appropriate documentation) that:

- Extended illness or other hardship has caused their academic performance to be sub-standard;
- A general trend of improvement in their academic performance over time exists; and/or
- The desire and capability of meeting the expectations of the Conditional Contract Semesters is demonstrated.

Conditional contracts are awarded at the discretion of the Vice President for RIT Kosovo (A.U.K)-

RIT Academic Affairs, in consultation with Academic Services. Failure to meet any of the contract conditions results in immediate suspension from RIT Kosovo (A.U.K) without any tuition reimbursement. Contact Academic Services for the appropriate procedure.

Please note: Academic Warning and Academic Suspension are related to your GPA, which summarizes your academic performance.

Expulsion of Students from Class

An instructor may expel a student from class for no more than one class session. If the instructor wishes to exclude the student for a longer period due to student misconduct, the procedures are outlined in the section on *Student Rights & Responsibilities*.

Final Exam Policy

For all courses other than those taught online, professors will be present at RIT Kosovo (A.U.K) and available for questions from the students for at least 24 hours after they have published the final course grade to the students. If you have any questions about your final exam or final grade, you should ask them at this time. Professors (not RIT Kosovo (A.U.K) administration) make the final decision about your grade

In all instances of investigation into personal computing and network use, individuals are protected to the fullest extent possible.
- 4.2.13. *Responsible Use of Resources:* In exchange for the privileges associated with membership in the RIT Kosovo (A.U.K) computing community, users

assume the responsibility to use the community's resources in a responsible and professional manner. The following paragraphs (4.14 – 4.34) highlight a non- exhaustive list of specific responsibilities. Questions about the appropriateness of any use of resources should be directed to the staff of the Educational Technology Department or to the systems personnel responsible for the resource in question.

Access to Secure Systems (Computer and IT Conduct Policy)

- 4.3. *Passwords*: Passwords are the primary way in which users are authenticated and allowed to use the community's computing resources. One should not disclose one's password(s) to any individual, including a faculty or staff member, unless the person is a properly authorized system administrator performing account maintenance activities for which the password is required. Similarly, one should not disclose other identifying information (e.g, PIN numbers) used to access specific system information. Authorized users are held accountable for violations of this Code of Conduct involving their accounts.

Use of Computer and IT resources (Computer and IT Conduct Policy)

- 4.4. *Unauthorized use of resources*: One must not allow others to make use of one's account(s) or network access privileges to gain access to resources to which they would otherwise be denied.
- 4.5. *Circumventing or compromising security*: Users must not utilize any hardware or software in an attempt to compromise the security of any other system, whether internal or external to the RIT Kosovo (A.U.K) systems and network. Examples of prohibited activities include (but are not limited to) Trojan horses, password crackers, port security probes, network snoopers, IP spoofing, and the launching or knowing transmission of viruses or worms.
- 4.6. *Self-Protection*: Any member of the RIT Kosovo (A.U.K) community who attaches a computer to the RIT Kosovo (A.U.K) network must take measures to ensure that the computer is protected against compromise by an internal or external attack. In this context, reasonable measures include the installation and maintenance of virus detection and eradication software, care in opening e-mail message attachments, vigilance when visiting web sites and adhering to published system configuration and management standards.
- 4.7. *Commercial Activity*: No member of the RIT Kosovo (A.U.K) community may use an RIT Kosovo (A.U.K) computing account or any communications equipment that is owned or maintained by RIT Kosovo (A.U.K) to run a business or commercial service or to advertise for a commercial organization or endeavor. Use of RIT Kosovo (A.U.K)'s computer systems and networks for the personal promotion of commercial goods or services is strictly prohibited. RIT Kosovo (A.U.K) employees who are engaged in professional consulting for-a-fee relationships may use RIT Kosovo (A.U.K)'s computing and network resources to correspond with existing clients, but not to advertise or promote their consulting practice.
- 4.8. *Personal Use of RIT Kosovo (A.U.K) Resources*: In general, the use of RIT Kosovo (A.U.K)'s computing and network resources to promote commercially related activities or events that have no direct relationship to RIT Kosovo (A.U.K)'s mission is not permitted. Occasional personal use of these resources, for example, to promote a single

fund- raising event or activity, to sell a used item within the RIT Kosovo (A.U.K) community, or to offer RIT Kosovo (A.U.K) colleagues the opportunity to rent an apartment may be permitted.

4.9. Harmful Activities: One must not use one's privileges as a member of the RIT Kosovo (A.U.K) computing community to cause harm to any individual or to harm any software or hardware system, whether internal or external to RIT Kosovo (A.U.K). Examples of harmful activities, in addition to those noted elsewhere in this Code, include:

- Threatening or intimidating e-mail, newsgroup postings, or web sites.
- Denial-of-service attacks (e.g., making it difficult or impossible for others to use the network effectively and efficiently).

4.10. Illegal Activities: For the protection of the RIT Kosovo (A.U.K) computing community as a whole, it is imperative that all members refrain from any conduct that is illegal. Illegal activities that are prohibited include (but are not limited to):

- Copyright infringement, including publishing copyrighted material such as papers, software, music, musical scores, movies and artistic works. It is irrelevant whether or not any profit is made from such distribution; the mere fact of providing uncontrolled access to such material is illegal.
- Divulging information that is confidential or proprietary information.
- Misrepresentation of one's identity to gain access to systems, software, or other services to which one does not have authorized access.

Privacy and Usage Monitoring (Computer and IT Conduct Policy)

4.10.1. Privacy Statement (IT): Users should be aware that their use of RIT Kosovo (A.U.K)'s computing and network resources is not completely private. However, in all RIT Kosovo (A.U.K) operations discussed in the following paragraphs, individual rights of privacy will be preserved to the fullest extent possible that is compatible with the nature of the operation. As an institution, RIT Kosovo (A.U.K) retains the following rights with respect to its computing and network resources:

4.10.2. Allocation and Control of Access to Resources: Those responsible for maintaining RIT Kosovo (A.U.K)'s information technologies and resources have the right to allocate resources in ways appropriate to the achievement of RIT Kosovo (A.U.K)'s overall mission. They also may control access to its information and the devices on which it is stored, manipulated and transmitted in accordance with the policies of RIT Kosovo (A.U.K), civil, and criminal law.

4.10.3. Usage Monitoring and Inspection of Files: While RIT Kosovo (A.U.K) does not routinely monitor individual usage, the normal operation and maintenance of RIT Kosovo (A.U.K)'s computing and network

environment require the backup and caching of data, the logging of usage data, the monitoring of usage patterns and other such activities that are necessary for maintaining network availability and performance. RIT Kosovo (A.U.K) system and network administrators may review these data for evidence of violation of law or policy. When necessary to ensure network availability and performance, or to respond to an alleged violation of law or policy, system and network administrators may monitor the activities and inspect the files of specific users on their computers and networks.

- 4.104.** *System and Network Administration Access:* A system administrator may access others' files for the maintenance of network computer and storage systems. Similarly, for the maintenance or security of networks, a network administrator may access others' files and data on network devices or in transit.
- 4.105.** *Security Procedures:* Departments are responsible for educating the users of RIT Kosovo (A.U.K)-owned desktop computers and providing a reasonable level of security for sensitive information.

Reporting, Investigations, and Sanctions (Computer and IT Conduct Policy)

- 4.11.** *Reporting Violations of this Code:* For this Code to be effective, all members of the RIT Kosovo (A.U.K) computing community must be alert to possible violations. If a member of the community suspects that another community member is abusing his or her privileges or is engaged in activities forbidden by this policy, it is that member's responsibility to report this to IT personnel. In all cases, suspected violations of this Code of Conduct should be reported. Users should retain any other information that could be helpful for investigative purposes, such as harassing e-mail messages, dates and times of unauthorized access, and header lines.
- 4.12.** *Investigation of Suspected Violations:* Reports of suspected violations of this Code of Conduct are investigated by the designated professional staff of the Educational Technology Services. Confirmed violations will be brought to the attention of the violators and, where a confirmed violation is serious or persists, a restriction may be imposed, temporarily or permanently, by RIT Kosovo (A.U.K). Violators of statutory law will be turned over to Campus Safety.
- 4.13.** *Sanctions:* RIT Kosovo (A.U.K) may impose a range of penalties on users who violate the policies regarding the usage of RIT Kosovo (A.U.K) computing resources. For example, RIT Kosovo (A.U.K) may suspend computer and network privileges of an individual for reasons relating to the safety and wellbeing of other members of the campus community, or relating to the preservation and integrity of RIT Kosovo (A.U.K) property. Access will be restored when positive conditions can be reasonably assured, unless access is to remain suspended as a result of formal action imposed through the normal disciplinary processes of RIT Kosovo (A.U.K). Appeals will follow the normal RIT Kosovo (A.U.K) Student Conduct Process.

Co-op Policy

- 5.** *Co-op Policy:* Students providing any kind of false information while registering and/or

completing their Co-op will be subject to disciplinary sanctions as according to the RIT Kosovo (A.U.K) Conduct Code. In addition, students are responsible to represent RIT Kosovo (A.U.K) as according to the RIT Kosovo (A.U.K) policies, rules and regulations while doing their Co-ops. If the student completing the Co-op receives bad employer evaluation such a Co-op may be considered as invalid and the student must do another Co-op to complete the requirements.

For example, RIT Kosovo (A.U.K) users must not distribute copyrighted or proprietary material without written consent of the copyright holder, nor violate copyright or patent laws concerning computer software, documentation, or other tangible assets. The privilege of parking on campus is granted to students with the understanding that future or periodic RIT Kosovo (A.U.K) needs may require allocation, registration, restriction, or revocation. Privacy Policy

18. *Privacy Policy:* RIT Kosovo (A.U.K) recognizes that individual privacy and security is highly valued by our society, but must be balanced by the other community enumerated values and needs. Within this understanding, the RIT Kosovo (A.U.K) community is assured that the privacy of such personal property as written communications intended by their creator to be private including those transmitted or preserved in paper, electronic, or other media will be protected, although it cannot be completely guaranteed. RIT Kosovo (A.U.K) also recognizes that members of the RIT Kosovo (A.U.K) community have a responsibility to cooperate with authorized searches and seizures in emergencies and in circumstances of probable cause. In such instances, including those involving RIT Kosovo (A.U.K) computer and network use, the search and/or seizure of personal property or personal communications will be executed only on the authorization of an official. Cooperation with the search or seizure of one's personal property or personal communication does not of itself imply one's own misuse or abuse of RIT Kosovo (A.U.K) computers or network; the search or seizure may be deemed necessary because of misuse or abuse elsewhere in the RIT Kosovo (A.U.K) system or in systems to which the RIT Kosovo (A.U.K) system is connected or affiliated. For example, scanning and pattern matching of incoming or outgoing email may be necessary to remove computer viruses, to locate the sources of spam, or to respond to legitimate internal or external requests for investigation. In all instances of investigation into personal computing and network use, individuals are protected to the extent possible.

If a student is charged only with an off-campus violation of civil laws, but not with any violation of RIT Kosovo (A.U.K) policies, rules and regulations, RIT Kosovo (A.U.K) disciplinary action may still be taken and sanctions imposed for serious misconduct that demonstrates disregard for the rights of others, or that adversely affects the RIT Kosovo (A.U.K) community and/or the pursuit of its objectives. In such cases, interim suspension or restrictions may be imposed even before the student has been found guilty in a court of law.
 - 1.5. If a student is charged by civil authorities with a violation of the law, RIT Kosovo (A.U.K) will cooperate fully with law enforcement and other agencies. If the alleged offense is also the subject of a proceeding under the RIT Kosovo (A.U.K) Student Conduct Process, RIT Kosovo (A.U.K) may advise off-campus authorities of the existence of the RIT Kosovo (A.U.K) Student Conduct Process and of how such matters will be handled internally within the RIT Kosovo (A.U.K) community.

4.6.5. A student subject to interim suspension or restrictions will receive written notice of the suspension or restrictions imposed.

Disciplinary Actions from Academic Dishonesty

Instances of academic dishonesty are required by RIT Kosovo (A.U.K) policy to be recorded in the student's file.

1. PROCESS:

1.1. After the course instructor has made an initial determination of appropriate action to be taken, he or she will meet with the student, informing him or her of the action to be taken.

- 1.2. If the student accepts this action, the instructor records the instance in writing, places the record in a sealed envelope, initials over the seal, and delivers the record to Academic Services to be placed in the student's file.
- 1.3. If the student does not accept the action and the matter is ultimately resolved by the RIT Kosovo (A.U.K) Vice President for Academic Affairs, or by the RIT Kosovo (A.U.K) Academic Conduct Committee, or by the Appeals process, the envelope will be placed in the student's file if the student does not prevail. If the student is exonerated, then no record is kept.
- 1.4. Sealed envelopes will be retained until the student receives a Baccalaureate Degree, transfers to another institution, or is otherwise terminated from enrollment.
- 1.5. Students with 3 reported instances of Academic Dishonesty in their file will be placed on suspension automatically.
2. REVIEW OF RECORDS: Each semester during registration, Academic Services will review student files for sealed envelopes. Files that contain 3 or more sealed envelopes will be referred to the Director of Academic Affairs for determination of the student's possible expulsion for flagrant academic dishonesty.
3. EXPULSION FOR FLAGRANT ACADEMIC DISHONESTY: When a student is found to have committed three or more instances of academic dishonesty, the student will be subject to expulsion. The student's record will be reviewed by the Vice President for Academic Affairs and, in consultation with the President of RIT Kosovo (A.U.K), will make the following decisions:
 - Expel the student.
 - Suspend the student for one (1) year. If this action is taken, the records of academic dishonesty will remain in the student's file and the file will be flagged. Any instance of academic dishonesty after the student is reinstated will result in automatic expulsion.
 - Place the student on probation. If this action is taken, the records of academic dishonesty will remain in the student's file and the file will be flagged. Any further instance of academic dishonesty will result in automatic suspension.
 - Remand the matter to the RIT Kosovo (A.U.K) Conduct Committee for a hearing. The RIT Kosovo (A.U.K) Conduct Committee will make one of the decisions outlined under one of the three bulleted points above.
 - Appeals: Appeals will follow the same process as outlined in Student Conduct Process, Appeals.

Academic Appeals

Grade Appeal

1. *Grade Appeal:* If students have questions about their end of term grades, they are to take the following consecutive steps for a fuller explanation. It is to be understood that this process is not for the purpose of revising or negotiating grades; the assignment of grades remains the sole purview of the instructor:

- 1.1. Step 1: The student will consult with the faculty instructor about the assigned grade.
- 1.2. Step 2: If the student is not satisfied with the explanation from Step 1, (s)he may, in extraordinary cases, make a written request justifying the need for further clarification of the grading process or a specific grade. The written request is made to the VPAA.
- 1.3. Step 3: The VPAA will provide the request to a Grade Appeal Committee for deliberation. The Grade Appeal Committee consists of three faculty members, at least two of whom are full-time faculty. The Senate Chair and the VPAA select the membership by lot, unless the appeal is for a grade in a course of the Senate Chair. In that case, the VPAA will ask another Senate member to assist in the selection. Each grade appeal requires selection of new membership.
- 1.4. Step 4: After obtaining any additional information it deems appropriate, the Committee makes its recommendation and informs the VPAA in writing of its recommendation and the basis for the recommendation.
- 1.5. *Recommendation not in favor of the student:* If the Committee recommendation is not in favor of the student, the VPAA informs the faculty member and the student. The grade remains unchanged and there are no further routes of appeal.
- 1.6. *Recommendation in favor of the student:* If the Committee recommendation is in favor of the student, the VPAA informs the faculty member and requests consideration of the Committee recommendation. Following further deliberation, the faculty member informs the VPAA of her/his decision. The VPAA informs the student and the Committee. The decision of the faculty member is final and there are no further routes of appeal.
- 1.7. A grade may be changed only under the circumstances described above.

Academic Dishonesty

2. Academic Dishonesty:

- 2.1. If a faculty member judges a student to be guilty of some form of academic dishonesty, the student may be given a failing grade for that piece of work or for the course, depending upon the severity of the misconduct.
- 2.2. If the student believes the action by the instructor to be incorrect, unjust, or the penalty too severe, the student may:
 - 2.2.1. Request a meeting with the instructor. The instructor shall meet informally with the student to discuss the action that he or she has taken.
 - 2.2.2. Request a meeting with the Director of Academic Affairs. If the student still believes the faculty member's action is incorrect, unjust, or the penalty too severe, both student and instructor shall meet with the Vice President for Academic Affairs on the matter.
 - 2.2.3. Request a hearing before the RIT Kosovo (A.U.K) Conduct Committee. If the matter cannot be resolved by a meeting with the RIT Kosovo (A.U.K) Vice President for Academic Affairs, then the case and all relevant evidence will be sent to the RIT Kosovo (A.U.K) Conduct Committee for judgment.

- 2.2.4. The faculty member or the Vice President for Academic Affairs may also refer the case to the RIT Kosovo (A.U.K) Conduct Committee if it is felt that the alleged misconduct warrants action more severe than failure in the course.

Academic Suspension

3. A suspended student may appeal a suspension decision.

- 3.1 A suspension may be waived upon written appeal from the student. Final suspension waiver requires the Vice President (or designee) approval. For programs housed outside the college structure, the approval of the director of the academic unit in which the enrollment is requested is required.
- 3.2 A suspended student may be required to satisfy specific academic conditions imposed by University in order to be considered for readmission to his/her program.
- 3.3 A suspended student may be admitted to another program if it is approved by the Vice President (or designee) of the college in which enrollment is requested. For programs housed outside the college structure, the approval of the director of the academic program in which the enrollment is requested is required.
- 3.4 Students must apply through undergraduate admissions for re-admission at the end of their suspension. Such re-admission must be approved by the Vice President (or his/her designee) of the college for which they are requesting enrollment (this may be the original college or another). For programs housed outside the college structure, the re-admission must be approved by the director (or designee) of the academic unit for which they are requesting enrollment.

Charges of Academic Unfairness by Faculty

4. Charges of Academic Unfairness by Faculty:

- 4.1 If a student believes a faculty member's treatment in a course has been unfair, the procedures in this matter are the same as those in the section on Charges of Academic Dishonesty.
- 4.2 If a hearing before the RIT Kosovo (A.U.K) Conduct Committee is held, the same rules and procedure as in all other matters will be used.
- 4.3 If the RIT Kosovo (A.U.K) Conduct Committee finds in favor of the faculty member, the student's case is dismissed, and/or the faculty member's action upheld, and/or additional appropriate actions are recommended to the Director of Academic Affairs.
- 4.4 If the committee finds in favor of the student, appropriate recommendations will be made to the Director of Academic Affairs and the faculty member.
- 4.5 No one, except the faculty member in question, has the right to change a previously assigned grade. However, in the event that the original charge was one of cheating, plagiarism or other academic dishonesty, the faculty

member is bound to eliminate any impact of such charge on the student's grade. Although specific recommendations on the grade to be assigned are not binding upon the faculty member, faculty members have a moral obligation to respond in the highest professional manner to collegial recommendations. Such a response by faculty is essential if RIT Kosovo (A.U.K) is to preserve without abuse the principle of equal fairness for faculty and students, as well as the principle of professional responsibility of faculty as the sole evaluator of student performance.

Disciplinary Hearings, Including Academic Dishonesty and Charges of Academic Unfairness by Faculty

Reporting Misconduct

1. Any member of the RIT Kosovo (A.U.K) community may file a complaint against any student for misconduct.
 5. The complaint should be made to the Vice President for Academic in written form.
 6. The VPAA will provide the complaint to the Chair of the Conduct Committee.
 7. The Chair conducts an initial review to determine if the charges appear to have merit and/or require further investigation and a student conduct hearing.

Conduct Committee

8. *Purpose:* To serve the entire RIT Kosovo (A.U.K) as a body, to receive requests for a hearing regarding both academic and non-academic misconduct referred to them by members of the RIT Kosovo (A.U.K) community, to provide a fair hearing for the parties, make decisions, and impose sanctions when appropriate.
9. *Membership:* Members shall be four (4) in number and consist of three (3) faculty members, and (1) student member. In addition, there will be one (1) faculty alternate. The faculty alternate will be kept informed of issues in any matter before the Committee, may attend hearings, and will be available to serve as a full, voting member if a faculty member is not able to attend a hearing. As continuity and experience are valued in this committee, faculty members serve for a full academic year and are eligible to continue beyond that at the discretion of the Director of Academic Affairs. Each year, the VPAA will review the membership and determine if new members are appropriate. New members will be elected by majority vote of the faculty. The student member shall serve for two consecutive semesters (fall and spring) and shall be any member of RIT Kosovo (A.U.K) student government, excluding the President, and be chosen by a majority vote of the RIT Kosovo (A.U.K) student government. The members will choose among themselves to appoint one member as chair. The position of chair will be restricted to a faculty member.
10. *Sessions:* The Committee will convene whenever a request for a hearing is presented, but only during the academic semesters and not during any school recess period. The chair will convene the sessions by mutual agreement with the other members.
 - 1.1. *Recusals:* Committee members will be recused in the event of any conflict of

interest. Any faculty Committee member making a request will be automatically recused. Should the student member be involved in the activity described in the request he or she will be recused and replaced by a student member appointed by the RIT Kosovo (A.U.K) Student Government? The chair will refuse any Committee member should he or she determine that a conflict of interest exists. Each Committee member is charged with the responsibility of reporting to the chair any conflict of interest he or she believes to exist.

- 1.2. *Conduct Committee Sanctions:* All of the sanctions (including disciplinary expulsion) may be imposed by the RIT Kosovo (A.U.K) Conduct Committee. All such sanctions (but not Warnings) may be appealed pursuant to the appeal procedures listed in the APEALS section, below.

Conduct Committee Processes:

Disciplinary and Academic Dishonesty Hearings

11. *Charge and Initial Decision to Pursue Student Conduct Hearings:*

- 11.1 Both academic dishonesty and student misconduct cases are resolved through hearings held by the RIT Kosovo (A.U.K) Conduct Committee. In all such instances, students may appeal to the RIT Kosovo (A.U.K) President by using the appeal procedures listed in the APPEALS section, below.

Note: Most academic dishonesty cases do not reach the RIT Kosovo (A.U.K) Conduct Committee. Only when the matter cannot be resolved, or when the nature of the dishonesty is so serious that it is felt that a full hearing is necessary, will these matters be handled at the Conduct Committee level.

- 1.3. *Notification of Complaint:* An accused student will be asked to meet with the Chair of the RIT Kosovo (A.U.K) Conduct Committee and will be informed of the fact that a complaint has been filed against him or her. The hearing procedure will be described and the student directed to the RIT Kosovo (A.U.K) Undergraduate Bulletin section on the Students Bill of Rights and the Hearing and Appeals procedures.
- 1.4. *Advocates:* The student will be informed that he or she has the right to bring to the hearing an advocate chosen from among the RIT Kosovo (A.U.K) faculty, staff or student body who is not a lawyer. Advocates can actively participate in the formal hearing process.
- 1.5. *Hearing Participants:* The Chair of the RIT Kosovo (A.U.K) Conduct Committee determines and facilitates the process to be followed in a hearing and decides whether other persons should be present.
- 1.6. *Recording of the hearing:* The hearing will be recorded. The student will be informed of the recording upon entry into the hearing. This recording of the hearing is the property of RIT Kosovo (A.U.K), but accused students may request a copy of it by submitting a written request to the Chair of the RIT Kosovo (A.U.K) Conduct Committee and will receive a copy within one week after the

request has been made. The recording of the hearing will be kept in storage in the event the accused requests an appeal; at that time, the recording will be submitted to the President of RIT Kosovo (A.U.K) for use during the appeal process. The recording will be destroyed either after the appeal date has passed, or at the discretion of the RIT Kosovo (A.U.K) President.

Notification Process

12. Notification Process:

- 1.6.1.** Notice of Allegations: The student will be sent written or electronic notice of the allegations brought forth as a complaint. The notice shall describe the misconduct of which the student is being charged, and specify RIT Kosovo (A.U.K)'s policy, rule, or regulation upon which the charges are based. The written notice of charges shall include the names of individuals expected to be present at the hearing. Additional witness names may be forwarded as the case is developed. In the Notice, the student will be informed that he or she may request that certain witnesses be called to the hearing. If, in the opinion of the Chair, these witnesses have relevant information to the issue at the hearing, a summons of the witnesses will be issued. The student must present the names of any proposed witnesses at least three days prior to the hearing.
- 1.6.2.** Scheduling: The hearing will be arranged expeditiously after the student receives the notice of allegations. All hearings will be conducted in private. At hearings involving more than one accused student, the Chair of the RIT Kosovo (A.U.K) Conduct Committee, at his or her discretion, may permit the hearings concerning each individual student to be conducted separately.

Procedure of the Hearing

13. Procedure of the Hearing:

- 1.6.3.** The Chair of the RIT Kosovo (A.U.K) Conduct Committee will inform the student that the hearing is being recorded.
- 1.6.4.** The Chair will review with the student a copy of the "Student Bill of Rights" and ask the student to sign it, acknowledging that it has been reviewed and understood.
- 1.6.5.** The Chair will read aloud the charges and note all of the materials or evidence submitted by witnesses, or others.
- 1.6.6.** The complaining party will testify about the alleged incident and will respond to questions from the Committee and the accused student, or the advocate, on the facts as presented and any material or evidence that has been submitted in support of the complaint.
- 1.6.7.** Other witnesses or technical advisors (as requested by the Committee or the accused) will testify and be questioned by the Committee and/or the accused student.
- 1.6.8.** After the testimony of the complainant and the other witnesses, the student will have an opportunity to refute or explain the materials or

evidence or add information. The Chair and other Committee members present will ask the student questions and discuss the case.

- 1.6.9.** The student may choose to remain silent, to not answer any questions and to not make any statements, or the student (and his or her advocate) may choose to participate in the discussion.
- 1.6.10.** The accused student, the advocate, and the Chair of the RIT Kosovo (A.U.K) Conduct Committee have the privilege of bringing in witnesses and questioning the witnesses of others.
- 1.6.11.** The RIT Kosovo (A.U.K) Student Conduct Process is not a court of law and legal rules of evidence and procedure do not apply. The Chair of the RIT Kosovo (A.U.K) Conduct Committee will determine at his or her sole discretion the range of testimony permitted from witnesses and items of information that will be considered, based on principles of fundamental relevance and fairness.
- 1.6.12.** If the Chair of the RIT Kosovo (A.U.K) Conduct Committee determines that a witness or complainant may be emotionally harmed by giving evidence in the presence of the accused student, he or she may make other arrangements (such as use of a screen or of videotaping) to allow the testimony while not depriving the accused student of access to the evidence.
- 1.6.13.** All procedural questions will be decided at the sole discretion of the Chair of the RIT Kosovo (A.U.K) Conduct Committee. The Chair may decide to adjourn the hearing for a reasonable period of time.
- 1.6.14.** The accused student cannot be found responsible for the charges solely on the basis of failure to answer the charges or appear at the hearing; in such cases, evidence to support the charges may be presented and considered and a determination made and a sanction imposed based on the evidence. However, any member of the RIT Kosovo (A.U.K) community may be sanctioned for failure to comply with a written or electronic request to appear at the hearing.
- 1.6.15.** Following questions, explanations and discussion, the student and the advocate will leave the room while the Chair and other Committee members present discuss the appropriate resolution of the case including appropriate sanctions, if any. The determination will be made on the basis of whether there is a preponderance of evidence that the accused student violated RIT Kosovo (A.U.K) policy, rules or procedures. The accused student may be found responsible for other infractions based on the same incident.
- 1.6.16.** The student and his or her advocate will then be asked to rejoin the hearing and be informed by the Chair of the RIT Kosovo (A.U.K) Conduct Committee of the determination. If the determination is that the student violated the policies, rules or regulations of RIT Kosovo (A.U.K), the sanction will be discussed.
- 1.6.17.** If, in the judgment of the Chair, and in consultation with the Committee, it is determined that additional time or information is required to reach a fair decision, the hearing may be temporarily suspended for the necessary period. The student and his or her advocate will be informed of the temporary suspension and given a date and time to return.

- 1.6.18. Upon completion of the hearing, the accused will be sent written notice of the Findings and Sanctions within seven (7) days of the hearing. The student will be reminded of the process by which he or she can appeal.
- 1.6.19. The complainant(s) will be informed of the decision of the hearing, and the sanction, if any, imposed on the accused student in all cases involving physical injury, threat, intimidation or force, including sexual misconduct, assault or abuse, of the complainant.
- 1.6.20. An appeal must be filed within ten (10) days of the date of the mailing or email of the sanction letter. (See APPEALS section.)
- 1.6.21. There shall be a single record of an RIT Kosovo (A.U.K) student conduct hearing and this record shall be the property of RIT Kosovo (A.U.K).
- 1.6.22. Once the decision is final (i.e., after the decision in an appeal or after the time to appeal has passed), the President of RIT Kosovo (A.U.K), or his /her appointee, is responsible for arranging for the sanction to be carried out and monitoring the sanction if appropriate. If the Chair of the RIT Kosovo (A.U.K) Conduct Committee believes it is appropriate, Interim Suspension or Restrictions may be imposed during the time of an appeal or until the time to appeal has passed.

Sexual Misconduct Cases (when the accused is a student) (aka Title IX)

- 14. The Process. When a case of sexual misconduct or assault is reported, and the accused is a student, the following procedure pertains:
 - 14.1 The RIT Kosovo (A.U.K) Vice-President will inform the student electronically summarizing the alleged incident. The communication will include the charge along with which policies may have been violated, an interim suspension notice, hearing information, and student's rights and responsibilities.
 - 1.6.23. The interim suspension notice will persist for 60 days from the time of official notice until a hearing is requested from the student.
 - 1.6.24. If the student has not scheduled a hearing within 60 days from the time of the official notice, the student will be suspended indefinitely and may be expelled from the institution.
- 1.7. The report and documentation will be handed to the Chair of the RIT Kosovo (A.U.K) Conduct Committee.
- 1.8. These procedures will be followed at RIT Kosovo (A.U.K) independent of any outside law enforcement agency or investigation. In some cases, if a legal proceeding has concluded, the report may be used as documentation in a Conduct Committee hearing.
- 1.9. *The Hearing.* It is the student's responsibility to schedule a hearing with the Chair of the RIT Kosovo (A.U.K) Conduct Committee.
 - 1.9.1. *Scheduling the hearing:* A hearing is an opportunity for all involved parties to meet with the Chair of the RIT Kosovo (A.U.K) Conduct Committee to determine what happened, and if any RIT policies were violated. The RIT Kosovo (A.U.K) Conduct Committee will not schedule a hearing until the student is interested in returning to RIT.
 - 1.9.2. *Showing up to the hearing:* It is mandatory to show up on time to the

hearing once it has been scheduled. If a student does not show up to the hearing, it will be held without the benefit of the student perspective, and the student will be notified of the outcome.

- 1.10.** *Students Rights.* The student has the following rights:
 - 1.10.1.** *Advocate.* An advocate is a knowledgeable faculty or staff member whose role is to support students during conduct hearings, and can meet with students prior to hearings, as well as attend hearings.
 - 1.10.2.** *Copy of report.* A copy of the report and all available written documents will be provided at the student's request.
 - 1.10.3.** *Pre-hearing.* A pre-hearing is a meeting with the student and a hearing officer in order to review the conduct process and answer any questions before the hearing.
 - 1.10.4.** *Witness(es).* Students may bring witnesses to their hearing, upon approval by the Chair of the RIT Kosovo (A.U.K) Conduct Committee. You need to notify the Chair of the RIT Kosovo (A.U.K) Conduct Committee at least 3 days prior to the hearing of witness(es) names and email addresses. Only witnesses with direct information who are part of the RIT Kosovo (A.U.K) community are allowed to participate. Character witnesses are not allowed.
- 1.11.** *Audio/Video Recording.* All hearings in the RIT Kosovo (A.U.K) Conduct Committee are audio recorded.
- 1.12.** *Confidentiality.* RIT Kosovo (A.U.K) will keep the report and investigation confidential to the extent possible and in compliance with applicable laws, rules, and regulations.

For additional information on Sexual Misconduct Cases and for the rights and expectations of a complainant, please see the RIT Policy D19.0 STUDENT GENDER-BASED AND SEXUAL MISCONDUCT POLICY - TITLE IX. Kosovo law is applicable in any legal proceedings, however the RIT Policy D19.0 STUDENT GENDER-BASED AND SEXUAL MISCONDUCT POLICY - TITLE IX will be followed as the RIT Kosovo (A.U.K) institutional standard independent of any legal proceedings.

If the accused is an RIT Kosovo (A.U.K) employee, faculty, or staff member, the case will be handled by procedures set forth in the RIT Kosovo (A.U.K) Policy Prohibiting Discrimination and Harassment.

Disciplinary Appeals

Appeals are made to the President of RIT Kosovo (A.U.K)

1. Timeframe:

An appeal must be filed in writing to the President of RIT Kosovo (A.U.K) within ten (10) days of the mailing or emailing of the Findings and Sanctions notice by the Chair of the RIT Kosovo (A.U.K) Conduct Committee.

2. Grounds:

The appeal must state which of the following grounds are the basis for the appeal and the evidence or reasons supporting this position. Except as required to explain the basis of new evidence, an appeal shall be limited to a review of the record of the initial decision and/or hearing and supporting documents only for one or more of the following grounds or purposes:

- 2.1.** To determine whether the decision making process and/or hearing was conducted fairly in light of the charges and evidence presented and was in conformity with the RIT Kosovo (A.U.K) Student Conduct Process.
- 2.2.** To determine whether the decision reached was based on substantial evidence, that is, relevant evidence that a reasonable mind would accept as adequate to support the conclusion.
- 2.3.** To determine whether the sanction imposed was appropriate for the violation the student was found to have committed.
- 2.4.** To consider new evidence that was not brought out in the original hearing and that is sufficient for a reasonable person to alter the decision.
- 2.5.** To determine whether the hearing body was biased or otherwise not able to consider the case objectively.

3. Decisions: A decision concerning the appeal will be mailed to the accused student within fourteen (14) days of the receipt of the appeal letter.

- 3.1.** Decisions of the President of RIT Kosovo (A.U.K) are final in cases concerning all sanctions for non-academic violations.
- 3.2.** In cases concerning academic dishonesty or student charges of academic unfairness by a member of the faculty, a second level of Appeal can be made to the Director of RIT's School of Individualized Study by either the student or faculty member.
 - 3.2.1.** A letter of appeal must be submitted to the Director of RIT's School of Individualized Study within ten (10) days of the mailing of the decision notice by the President of RIT Kosovo (A.U.K).
 - 3.2.2.** the Director of RIT's School of Individualized Study will make the decision based solely upon the written appeal, the recording of the original hearing, the record, and the submitted written material unless he or she determines, at his or her sole discretion, to hear oral statements by or ask questions of those involved.
 - 3.2.3.** A decision concerning the appeal will be mailed to the accused student within fourteen (14) days of the receipt of the appeal letter. The decision rendered is then final.

4. Procedure:

- 4.1.** The accused student has the right to be assisted by an advocate from among

- the RIT Kosovo (A.U.K) faculty, staff, or student body
- 4.2.** The student filing the appeal and his/her advocate, will be informed of the time and date to appear in front of the President of RIT Kosovo (A.U.K) and present the grounds for the appeal. The student will generally be given a time limit of twenty (20) minutes for this presentation.
 - 4.3.** The Chair of the RIT Kosovo (A.U.K) Conduct Committee who made the original jurisdiction decision will then respond to the appeal and give the rationale for the decision and sanction determined.
 - 4.4.** After evaluating the Appeal, the President may take one of the following actions.
 - 4.4.1.** In Disciplinary Decisions:
 - Grant or deny the appeal. If an appeal is granted, the President of RIT Kosovo (A.U.K) may reduce or dismiss the sanction rendered at the hearing.
 - Request an appearance of any individual involved in the case and postpone making a decision until that person is heard
 - Remand the case back to the Chair of the RIT Kosovo (A.U.K) Conduct Committee for a second hearing.
 - Act as the RIT Kosovo (A.U.K) Conduct Committee and hear the case as an original jurisdiction at later date if there is a determination that the original process was so flawed that justice would be best served by the President hearing the case. In a new hearing, the President will follow a hearing procedure which is substantially the same as the procedure described in the RIT Kosovo (A.U.K) Student Conduct Process.
 - Grant or deny the appeal: In appeals granted involving academic misconduct, the President of RIT Kosovo (A.U.K) will either refer the case back to the Director of Academic Affairs with recommendations for resolving any procedural errors, or refer the case to the Director of RIT's Center for Multidisciplinary Studies with recommendations.
 - In academic misconduct appeals, the President of RIT Kosovo (A.U.K) will not make substantive judgments regarding the academic issues in question.
 - 4.4.2.** In Academic Misconduct:
 - 4.4.2.1.** Appeals are normally conducted in private. At the request of the accused student, and subject to the discretion of the President of RIT Kosovo (A.U.K), the appeal may be open to other members of the RIT Kosovo (A.U.K) community, but such others shall not be permitted to participate in the appeal.
 - 4.4.2.2.** In making determinations on the appeal, either the President of RIT Kosovo (A.U.K) or the Director of RIT's Center for Multidisciplinary Studies, as the case may be, will not substitute their judgment for the judgment of the RIT Kosovo (A.U.K) Conduct Committee. The original determination will be

reviewed only on the grounds set forth in section 7.2 (Grounds).

- 4.4.2.3.** The President of RIT Kosovo (A.U.K) or the Director of RIT's School of Individualized Study (SOIS) can choose to reduce the sanction(s) without requiring reconsideration, but may not impose additional or harsher sanctions.

Attendance Policy

Responsibilities, Effects on Grades, Notification of Faculty, Faculty Responsibilities, Withdrawal and Punctuality

1. ***Responsibilities:*** Absences for whatever reason do not relieve students of their responsibility for fulfilling normal requirements in any course. In particular, it is the student's responsibility to make individual arrangements in advance of missing class due to personal obligations such as religious holidays, job interviews, athletic contest, etc., in order that he or she may meet his or her obligations without penalty for missing class.
2. ***Effects On Grades:*** A student may have no more than three unexcused absences in a given course before their grade is affected. Each unexcused absence after three will lower the student's course grade by one letter grade using the refined grading system (example: and B will become a B- after the fourth absence, a B- will become a C+ after the 5th absence and so on). This is mandatory.
3. ***Notification of Faculty:*** It is the student's responsibility to notify the faculty member in advance of any planned absence.
4. ***Faculty Responsibility:*** Instructors are responsible for either excusing or not excusing a student for class, allowing or not allowing make-ups or alternate dates for tests and classes. RIT Kosovo (A.U.K) will inform instructors about events (recruitment drives, media events, co-op interviews) for which students may request an excuse from classes, but the final decision to grant an excuse rests with the instructor. RIT Kosovo (A.U.K) will support the faculty member's class policy with regard to testing and attendance.
5. ***Withdrawal:*** Non-attendance does not constitute an official withdrawal and may result in a failing grade.
6. ***Punctuality:*** Class hours consist of 90-minute teaching blocks. Faculty and students are expected to begin and end class and any breaks on time.

Withdrawal and Refund Policy

Note: Non-Attendance does not constitute a withdrawal.

1. Full Refund

The acceptable reasons for withdrawal with full refund during the semester are:

- 1.1. *Active military service:* A student called to active military service during the first eight weeks of the semester may receive a full tuition refund. If called after the eighth week, he or she may elect to complete the course by making special arrangements with the instructor or may withdraw and receive a full tuition refund. If he or she withdraws, the course must be repeated at a later date.
- 1.2. *Academic reasons:* Students sometimes register before grades for the previous semester are available. If such a student later finds that he or she is subject to academic suspension or has failed prerequisites, the student will be given a full refund upon withdrawal.
- 1.3. *Part-time students:* If part-time students drop a course during the official drop/add period (first six days of classes in any semester), they may contact the Business Office for a full refund for the course dropped.

2. Partial Refund

- 2.1. A full-time student must officially withdraw from all courses or take a leave of absence to be eligible for a partial tuition refund.
- 2.2. A partial refund will be made during a semester if withdrawal/leave of absence is necessitated for one of the following:
 - 2.2.1. Illness, certified by the attending physician, causing excessive absence from classes
 - 2.2.2. Withdrawal for academic or disciplinary reasons at the request of RIT Kosovo (A.U.K) during a semester
 - 2.2.3. Transfer by employer, making class attendance impossible
 - 2.2.4. Withdrawal for academic, disciplinary, or personal reasons at the request of the student, approved by the student's adviser, Director of Academic Programs and the Business Office.
- 2.3. Partial refunds will be made according to the following withdrawal schedule

and percentage of tuition reduction:

- 2.3.1.** During the official drop/add period (first six days of classes): 100 percent tuition reduction;
- 2.3.2.** From the end of the official drop/add period through the end of the second week of classes: 70 percent tuition reduction;
- 2.3.3.** During the third week of classes: 60 percent tuition reduction;
- 2.3.4.** During the fourth week of classes: 50 percent tuition reduction;
- 2.3.5.** During the fifth week of classes: 25 percent tuition reduction;
- 2.3.6.** Sixth and subsequent weeks: no tuition reduction.

3. Process

- 3.1.** Students must complete a Leave of Absence or Withdrawal form, which can be initiated with Academic Services.
- 3.2.** A student is not “officially withdrawn” until he or she receives a signed copy of the withdrawal form. The date on which a withdrawal form is properly completed will be the date of official withdrawal and used to determine the refundable amount.
- 3.3.** If the student drops his or her course load from full-time (12 or more credits) to part-time (less than 12 credits) status during the official drop/add period, he or she may contact the Business Office for a refund based on the difference between the full-time tuition charge and the total per-credit charge for the part-time load.
- 3.4.** No refund will be made for classes dropped after the official drop/add period unless the student is officially withdrawing from RIT Kosovo (A.U.K).
- 3.5.** If institutional charges are reduced due to withdrawals, financial aid programs are reimbursed before a cash refund is issued to the student. The student is also responsible for any unpaid balance at the time of withdrawal. For further information or comments regarding refund policies and specific withdrawal dates, contact the Business Office.

4. Exceptional Circumstances

- 4.1.** Students who believe they have exceptional circumstances and who wish to be excused from late payments or other requirements should address their appeal to Ilir Krasniqi, Chief Financial Officer of RIT Kosovo (A.U.K).

Various positions are available on campus for students to earn additional funds while studying.

1. Policy and Procedural Details

- 2.5.** No work-study student may work in more than one department, unless there is a special project/event in each case extra working hours shall be added to the final working hours. Work-Study positions are approved as first Co-ops only.

3. Taxation

- 3.1.** Based on Kosovo Personal Income Tax Law, the government counts the work-study job earnings as a regular income; hence, gross income would be reduced by tax withholdings to increase students' net earnings and reduce RIT Kosovo (A.U.K)'s pension expense, the amount earned from work-study will be applied against tuition invoice, thereby reducing the work-study student's tuition fees.
