

RIT Kosovo™ (A.U.K) Student Referral Program**Terms and Conditions, March 2017**

The referral will be recorded if the following criteria are met:

- The referee submits the referral form before the new student contact details are in our database. If the student is already in the Admissions database, the referral will not be recorded
- A potential student is referred using the referral form in the website and the referee provides complete contact information
- An applicant indicates that she/he was referred to RIT Kosovo™ (A.U.K) by providing the referee's name in the referral part of the online application form submitted to the institution

In case multiple referrals are submitted for one applicant, the particular name indicated by the applicant in the referral section of the application form will be eligible for reward. If the applicant does not provide any name, the first submitted form will count.

The referral time cycle is one academic year at as indicated in the RIT Kosovo™ (A.U.K) academic calendar. The beginning of a new academic year marks the start of the referral program for the following year. All submitted names will be recorded and will be eligible for the academic year in which the referred student enrolls.

The referral is considered valid if the referred potential student enrolls at RIT Kosovo™ (A.U.K) as a full time student.

The rewards are processed within 30 days after the add/drop period of the fall semester and expire within 6 months if not used.

This referral program does not apply to exchange students.

RIT Kosovo™ (A.U.K) reserves the right to change or terminate the student referral program at any time at its discretion.
